Fall 2018 Additional Information

AggieCAREER Manager is an online database for NMSU students and alumni. Don't miss out on Career Services events. Log in or create your account today!

Definitions

Career Fairs - offer students the opportunity to network with employers for jobs and/or internships.

Workshops - presentations on various topics given by Career Services staff, employers, or guest speakers who are experts in their field.

Interviews - Conducted on-site at NMSU, employers interview candidates for professional (degree required) jobs, cooperative education positions, and internships. To view detailed information about and sign up for interviews, go to <https://careerservices.nmsu.edu> and log in to AggieCAREER Manager. To sign up, students must meet employer's requirements and have a resume uploaded to AggieCAREER Manager.

Information Sessions - presentations given by employers about their companies. The information sessions are usually connected to interview schedules.

TBA - To Be Announced (information that will be available at a later date)

Types of Interviews

- Open Interview - You will immediately be able to sign-up for an interview, as long as you meet all requirements on that interview schedule.
- Preselect - The employer will be pre-screening applicants. You will be notified via email whether you are selected as Accepted, Alternate, or Not Accepted. Only Accepted and Alternate students will be able to sign-up for an interview with the employer. If the preselect is taking place during a career fair then your selection will be determined immediately with the employer at their booth.
