## Fall 2018 Additional Information

*AggieCAREER Manager is an online database for NMSU students and alumni. Don't miss out on Career Services events. Log in or create your account today!*

### Definitions

**Career Fairs** - offer students the opportunity to network with employers for jobs and/or internships.

**Workshops** - presentations on various topics given by Career Services staff, employers, or guest speakers who are experts in their field.

**Interviews** - Conducted on-site at NMSU, employers interview candidates for professional (degree required) jobs, cooperative education positions, and internships. To view detailed information about and sign up for interviews, go to <https://careerservices.nmsu.edu> and log in to AggieCAREER Manager. To sign up, students must meet employer's requirements and have a resume uploaded to AggieCAREER Manager.

**Information Sessions** - presentations given by employers about their companies. The information sessions are usually connected to interview schedules.

**TBA** - To Be Announced (information that will be available at a later date)

### Types of Interviews

- Open Interview - You will immediately be able to sign-up for an interview, as long as you meet all requirements on that interview schedule.
- Preselect - The employer will be pre-screening applicants. You will be notified via email whether you are selected as Accepted, Alternate, or Not Accepted. Only Accepted and Alternate students will be able to sign-up for an interview with the employer. If the preselect is taking place during a career fair then your selection will be determined immediately with the employer at their booth.

For more information, please contact:
